

Consultant, Medicare Stars Program and Clinical

Job Description

Gorman Health Group, a full service Government Programs professional services and software company, is seeking Medicare Advantage healthcare professionals to join its team of industry leaders. We seek individuals with extensive experience in Medicare for both full-time and contract work. Typical projects include Model of Care development, implementations, audits, strategy sessions, Medicare Part C and D compliance and Medicare Advantage clinical and Stars program work.

Skills

- Medicare Stars Program- Develop, manage and coordinate clinical and non-clinical HEDIS and Stars-related activities
- HEDIS-Data collection and auditing processes and technical specifications
- HCC Risk Adjustment
- Special Needs Plan Requirements including Model of Care Development
- Health Plan Quality Improvement
- NCQA Accreditation Requirements
- Medicare Health Plan Operations Knowledge/Experience
- CMS Regulatory Compliance Requirements for Medicare/Medicare Advantage

Duties & Responsibilities

- Serve as a resource for team members and clients on various projects involving topics such as, but not limited to, compliance, operational processes and management analysis.
- Identify and define problems, collect relevant data, establish facts, and draw valid and innovative conclusions.
- Interact with the client's decision-makers, working cooperatively to achieve the project goals.

Abilities

The ideal candidate possess a nursing degree (RN or LPN) or equivalent experience; previous (5-7 years) clinical or Medicare plan experience; (At least 5 years) quality improvement experience (3 years) and management experience with NCQA/URAC and health plan operations. At least 2 years supervisory or management experience. Experience in leading diverse teams. Proficiency in Microsoft office, Outlook; Word; Access; Visio and Project Management. This position requires excellent organizational; managerial; excellent communication (written and oral) and analytical skills along with the ability to work in a fast paced environment. This position requires travel and telecommuting.
