## THE POLICY ANALYSIS AND GUIDANCE YOU NEED

BY THE EXPERTS YOU TRUST, DAILY.

*The Insider* is Gorman Health Group's exclusive intelligence briefing, providing in-depth analysis and expert summaries of the most critical legislative and political activities impacting and shaping your organization and the future of Medicare, Medicaid, and the Health Insurance Marketplace. Members receive direct access to the very best industry intel on the issues that matter to ensure your organization gains real, actionable information to drive business forward.

### KEY FEATURES OF THE INSIDER

#### HEALTH POLICY ANALYSIS

*Let us track and analyze all major development in health policy impacting your work for you. News explained, regs unpacked, hearings summarized...all in one spot, indexed and searchable.*

#### HPMS MEMO ANALYSIS

*Comprehensive analysis and summaries of high-priority Health Plan Management System (HPMS) notices delivered directly to your inbox each day - allowing members to filter the noise and focus on the issues of importance with confidence and precision.*

#### ACA EXPLAINED

*We have summarized every section of the Affordable Care Act (ACA) and tracked each implementation step that has been taken for each since the law was enacted. Interested in the latest move by the Trump administration and Congress, look no further.*

#### DIRECT ACCESS TO EXPERTS

*A weekly teleconference offering a rundown of the latest news impacting your organization hosted by John Gorman and our Policy team. Plus a monthly roundtable discussion providing unparalleled perspective on the latest agency news with a panel of CMS veterans.*
